Don't have the look,
Don't have the name,
Don't have the walk,
Don't wanna talk,
Don't have the say,
In how your town,
Could be the next big thing.

Don't buy the wood,
Just plant the seed,
Wait 'til it grows into a tree,
Find what it means,
Army, navy, air force, and marines.

I c'mon x4

Nowhere to shoot,
Nowhere to aim,
No one to gun,
No one to blame,
No one with shame,
No one plays,
To get what they deserve.

Don't take a look
Don't take a glance
Don't take the hook
Don't take a chance.
Find what it means,
Army, navy, air force, and marines.

I c'mon x4

[Music break]

I c'mon x13
