Danger!
There is danger out tonight.
Watch out!
At this hour stay out of sight.
Be careful!
It could hurt you so bad now.
Don't join a fight.
Know how to tell wrong from right.

Maybe you're in danger and you don't even know it.
Don't talk to strangers and know when to quit.

Danger!

Danger!
Danger has followed you home.
It's outside!
Shouting your name it won't leave you alone.
Be careful!
It could hurt you so bad now.
Don't join a fight.
Know how to tell wrong from right.

Maybe you're in danger then you don't seem to know it.
The world is a dangerous place but you won't admit it.

Danger!

Tonight it's danger baby, I feel so dangerous!
