### "Dorchester Hotel"

You perhaps heard rumors I'm sure  
Obscene disguise despite his new look  
I'm meeting him at London's Dorchester Hotel tonight  
If you wanna take advantage of him then you know  
where to go  
As long as you bring your bible you're secure

A promise of love brings back the old gun  
Undress, decide, make up for lost time  
I'm meeting him at London's Dorchester Hotel tonight  
If you wanna take advantage of him then you know  
where to go  
As long as you bring your bible you're secure

#### *[Chorus]*

And we pray  
Bless our hearts  
Returning to abnormal life

You fall down on to your knees  
Stranger, stranger, captive violence, it's almost done  
Attached but you're feeling alone  
The addiction will never be gone

Lost and down so fragile inside  
Today's the last but not the right one  
i'm looking at a picture of someone he had become  
If you wanna take advantage of him then you know  
where to go  
As long as you bring your bible you're secure

#### *[Chorus]*

You fall down on to your knees  
Stranger, stranger, captive violence, it's almost done  
You fall down on to your knees  
Stranger, stranger, captive violence, it's almost done  
You fall down on to your knees  
Stranger, stranger, captive violence, it's almost done  
Stranger, Stranger

I'm meeting him at London's Dorchester Hotel
