You can call me a slut
You can call me a liar
I got so many names now
I can't even deny it
You can call a thief and put up a fight
bury me six feet under the ground

But if you think I look mad today
You should have seen me yesterday

You can call me a beauty
You can call me a beast
But it's nobody's business what I do or please

So this song is from me to you
you make me mad and you make me blue
Cause when you're looking like I do
you know I can see you
We dance to the same groove
but I got the right move

CHORUS:
Hope your happy now
but I'm not giving in
I hope you're satisfied
with your bullshit and your lies
Hope your happy now
but I'm not giving up
I hope your satisfied
can't bury me alive

they call me a slut
then call me a liar
got so many names now
I can't even deny it
they call me a thief
they put up a fight
try bury me six feet under the ground

So this song is from me to you
you make me mad and you make me blue

you're looking like I do
you know I can see you
We dance the same groove
but I got the right move

CHORUS

Ha! Ha! Ha, ha!

CHORUS

I hope your satisfied
Fuck you and fuck your lies
