So many feelings
end up in here
left so alone I'm with
oh, an atmoshere
I'm sick and I'm tired
of reasoning
just want to break out
shake off this skin

I can't escape myself

All my problems
lume larger than life
I can swallow another slice
Seems like my shadow
marks every strike
can't learn to live with
what's trapped inside

I can't escape myself

So many feelings
end up in here
left so alone I'm with
oh, an atmoshere
I'm sick and I'm tired
of reasoning
just want to break out
shake off this skin

I can't escape myslef
