"Divine Thing"

All hips and lips
made to trick
just any fool

[Chorus]

I could have sworn that you were an angel
'Cause you're a sweet, sweet, sweet, diving thing
But I should have known that you were the devil
Dressed like a sweet, sweet, sweet, divine thing...

[Quick note: That should have been "divine", not
"diving." Darn typos.]

You lack the one thing that is devotion
not always there, in your hair
in a daze
Just too wrapped up in
your own emotion
your vanity
will always be
your greatest thing....

Chorus

Diiiiiiiiiiiiiiiiine thing, diiiiiiiiiiiiiiiiiine thing.....
