Well there's this girl I know
And she's so cool
And I know that I'll never
Be with her

Well there's this girl I know
And she's so cool
And I know that I'll never
Be with her
She's been looking for a normal guy
Just like me
She wants the ones that I know will not
Treat her right

And I know
That I
Will never get a chance with her
Until
She sees me on MTV
On MTV
On MTV

Why do girls have to want
The ones that I hate and
The ones that are dicks to them
One day I'll get my chance to show
How much you mean to me and
How bad I want dome

Here I go bitching and whining again
But you have to understand what she means to me
I stare at pictures on my wall everyday
Oh man, I hope she doesn't think that I am gay

'Cause I know
That I
Will never get a chance with her
Until
She sees me on MTV

Well there's this girl I know
And shes so cool

And I know that I'll never
Be with her
She's been looking for a normal guy
Just like me
She wants the ones that I know will not
Treat her right

Lets go

And I know
That I
Will never get a chance with her
Until
She sees me on MTV
On MTV
On MTV
On MTV

Why do girls have to want
The ones that I hate and
The ones that are dicks to them
One day I'll get my chance to show
How much you mean to me and
How bad I want...
