I'll see you  
At the movies  
Around 8 or 9  
I'll make you realize  
That you will be mine but  
I've been burned so many times  
By girls who are fake  
I know that they don't care  
So when I see you  
Walking through the door  
Holding his hand  
I won't give you  
A second chance  
Because

It seems that we  
Will never be  
The way  
That I  
Have dreamed us be  
Now you've left me  
Here to stay  
And all my skies have  
Turned to gray

So you're 20 minutes late  
But you'll never appreciate  
The love that I give you  
Are so vain but  
You cause so much pain  
That it's just not worth it  
You say that you're smiling  
But I know that you're crying on the inside  
When will you learn  
That

It seems that we  
Will never be  
The way  
That I  
Have dreamed us be  
Now you've left me

Here to stay  
And all my skies have  
Turned to gray

It seems that we  
Will never be  
The way  
That I  
Have dreamed us be  
Now you've left me  
Here to stay  
And all my skies have  
Turned to gray

It seems that we  
Will never be  
The way  
That I  
Have dreamed us be  
Now you've left me  
Here to stay  
Because  
You thought  
That I  
Was gay
