I just donæŠ° want to go
IæŠ! sick of moving
And I didnæŠ° want to go
But I did whatæŠ~ best for us
And now IæŠ! glad
I didnæŠ° pay no mind
To my mind at the time

I just donæŠ° want to know
ItæŠ~ not worth knowing
And I didnæŠ° want to know
But I did whatæŠ~ best for us
And now IæŠ! glad
I didnæŠ° pay no mind
To my mind at the time

Every time I had enough
There came another perk
And I just couldnæŠ° say no

Now I know itæŠ~ not enough
To give you what you want
But I just canæŠ° say no

I did whatæŠ~ best for us
And now IæŠ! glad
I didnæŠ° pay no mind
To my mind at the time
