Its Friday and
I'm wondering what in the hell am I going to do
To make this up to you
I know that
You never wanna see me again
But I'm gonna try this one last time for you
You know that I'd do anything for you
Here comes another night alone

I'm lonely
And I'm thinking of you'
So tell me
Are you thinking of me too

Friday didn't go the way that I planned it
Am I just wasting my time
Maybe
If you stabbed yourself in the heart
A couple of times
Then you'll know how I felt when I wrote this song
It doesn't mean anything to you
Looks like another night alone

I'm lonely
And I'm thinking of you
So tell me
Are you thinking of me too [repeat]
