Every time i think of you
I get a shot right through into a bolt of blue
It's no problem of mine, but it's a problem i find
Living a life that i can't leave behind

There's no sense in telling me
The wisdom of a fool won't set you free
But that's the way that it goes and it's what nobody
knows
And every day my confusion grows

Chorus:
Every time i see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that i can't say

I feel fine and i feel good
I feel like i never should
Whenever i get this way, i just don't know what to say
Why can't we be ourselves like we were yesterday

I'm not sure what this could mean
I don't think you're what you seem
I do admit to myself that if i hurt someone else
Then i'll never see just what we're meant to be

Chorus

Every time i see you falling i'll
Get down on my knees and pray;
I'm waiting for the final moment you'll
Say the words that i can't say.
