

The Special Goodness "In The Autumn"

Visit "[In The Autumn](#)" on MotoLyrics.com

The last day above seventy
Maybe twenty metrically
In the autumn
Its a day in the autumn

The leaves have just begun to turn
Not much daylight left to burn
In the autumn
Its a day in the autumn

The first cold wind
The first big chill
The first leaves fall, but they'll come again

The last day you don't need to care
About what you might have to wear
In the autumn
Its a day in the autumn

The leaves have just begun to fall
Not much daylight left at all
In the autumn
Its a day in the autumn

The first cold wind
The first big chill
The first leaves fall, but they'll come again
