I know this girl
She lives inside me
And I love her more than I know how to say

I know this girl
She stands beside me
And I ask her all about me everyday

She loves me
Doo ba dada ba ba dada dada ah (?????)
And I'm not fucking around with her
No, I'm not fuckin' around

I know this girl
She lives inside me
And I love her more than I did yesterday

I know this girl
She stands beside me
And I ask her all about the milky way.

She loves me
Doo ba dada ba ba dada dada ah (?????)
And I'm not fucking around with her
No, I'm not fuckin' around
And I'm not fucking around with her
No, I'm not fucking around

She loves me
Doo ba dada ba ba dada
And I'm not fucking around with her
No, I'm not fuckin' around
And I'm not fucking around with her
(Am I just a waste of time)
No I'm not fuckin around
