You know I'd like to see
Everybody get
Along with everyone
But that's not gonna happen
You know I'd like to see
Everybody get
Along with everybody every day

'cause once it takes you too far, you can't go back
Once it takes you too far, you can't go back again

You know I'd like to see
Everybody get
Along with everyone
But that's not gonna happen
You know I'd like to see
Everybody get
Along with everybody every day

'cause once it takes you too far, you can't go back
Once it takes you too far, you can't go back again

Once it takes you too far, you can't go back
Once it takes you too far, you can't go back again
