All you punks and all you teds National Front and natty  
dreads Mods, rockers, hippies and skinheads Keep on  
fighting 'til you're dead Who am I to say? Who am I to  
say? Am I just a hypocrite, Another piece of your  
bullshit Am I the dog that bit The hand of the man that  
feeds it? Do the dog, do the dog Do the dog, not the  
donkey Do the dog, don't be a jerk Do the dog, watch  
who you work for Do the do the do the do the dog  
Everybody's doing the dog Take your F.A. aggravation  
Fight it out on New Street Station Master racial  
masturbation Causes National Front frustration Who  
am I to say? To the IRA To the UDA Soldier boy from UK  
Am I just a hypocrite? Another piece of your bullshit Am  
I the dog that bit The hand of the man that feeds it? Do  
the dog, do the dog Do the dog, not the donkey Do the  
dog, don't be a jerk Do the dog, watch who you work  
for Do the do the do the do the dog, Do the do the do  
the do the dog, Do the do the do the do the dog,  
Everybody's doing the dog.
