Why did you try to hurt me?  
I've got ten?????????????  
Did you really wanna kill me  
Tell me why, tell me why, tell me why  
Why do we have to fight?  
Why must we fight?  
I have to defend myself from a crack last night  
I know I am black, you know you are white  
I'm proud of my black skin and you are proud of your  
white, so  
Why did you try to hurt me?  
Tell me why, tell me why, tell me why  
Did you really wanna kill me?  
Tell me why, tell me why, tell me why  
We don't need no British movement, nor the Ku Klux  
Klan, nor the national front  
You make me a angry man  
I just wanna live in peace  
Why can't you be the same?  
Why should I live in fear?  
This fussing and fighting is insane  
With a Nazi salute and a steel capped boot  
A Nazi salute and a steel capped boot  
You follow like sheep in a wolf clothes  
You follow like sheep in a wolf clothes  
We chase you out the dance hall, we chase you through  
the door  
We chase you out the dance hall, we chase you out the  
door  
Cos' we can't take no more of this at all  
Cos' we can't take no more of this at all  
With a Nazi salute and a steel capped boot  
Tell me why, tell me why, tell me why  
You follow like sheep in a wolf clothes  
Tell me why, tell me why, tell me why

You're too scared to make a speech during the light  
Without a thousand police protecting your rights  
To threaten and abuse, incite or fight  
But who will protect me from you in the night?  
Why did you try to hurt me?  
Tell me why, tell me why, tell me why

Do you really want to kill me?  
Tell me why, tell me why, tell me why  
With a Nazi salute and a steel capped boot  
Tell me why, tell me why, tell me why  
You follow like sheep in a wolf clothes  
Tell me why, tell me why, tell me why  
Earth my friend; you're on the earth, me to  
Tell me why, tell me why, tell me why  
I know one of you, I know two of you  
Tell me why, tell me why, tell me why  
Unholy by that mean I the National Front  
Tell me why, tell me why, tell me why  
They kick up my friend, him have me give me too  
Tell me why, tell me why, tell me why  
Auto duel, evasion for  
Tell me why, tell me why, tell me why  
About?????????? if I waited on the government  
???????????? if I waited on the government  
'Cause we can't take no more of this at all  
No, we can't take no more of this at all  
With a Nazi salute and a steel capped boot  
A Nazi salute and a steel capped boot  
They follow like sheep in a wolf clothes  
They follow like sheep in a wolf clothes
