### **"Catch The Wind"**

In the chilly hours and minutes of uncertainty, I long to  
be in the warm hold of your love and  
mind.

To feel you all around and to take your hand along the  
sand, I may as well try and catch the wind.

When sun down pales the sky, I wanna hide away  
behind your smile.  
Everywhere I look, your eyes I'd find.

For me to love you now, would be the sweetest thing.  
Would make me sing.  
But I may as well try and catch the wind.

When rain has hung the leaves with tears, I want you  
here to kill my fears.  
To help me leave all my blues behind.

For standing in your heart, it's where I wanna be, and  
I'll long to be.  
But I may as well try and catch the wind.
