"Gateway Drug"

All alone in the still of my apartment.
D-double take, apparitions in the darkness
Oh, oh, oh.

There you are
I'm a fiend
I gotta have it
Need a fix, my dangerous habit
Oh, oh, oh.

You are my gateway drug
You pull me down
You mess me up
You are my gateway drug
You give me a taste for the harder stuff
And I don't wanna stop

Innocent, I was naive when we started.
Got so high
We descended to dependence
(Quitting is so hard)
Cold sweat, I'm shaking with my teeth clenched
Appetite for the rush, the thrill, I need it.
Oh oh oh.

You are my gateway drug
You pull down
You mess me up
You are my gateway drug
You give me a a taste for the harder stuff
And I don't wanna stop
No, I don't wanna stop

You're breathing on my neck
And I feel weak
The lights that burn my eyes play hide and seek
I get a little closer to you
You move a little closer to me

All alone in the still of my apartment

D-double take, apparitions in the darkness

I lose myself in you

You are my gateway drug

You pull me down

You fuck me up

You are my gateway drug

You give me a taste for the harder stuff

You are my gateway drug

(I can't tell when I've had enough)

You are my gateway drug

(Drag me down to a deeper love)

I don't wanna stop

No, I don't wanna stop

I don't wanna stop
