She said 'Picture this: you and I,  
On a magic carpet ride,  
Covering your living room floor'

She said 'Picture this: you and I,  
On a magic carpet ride,  
Covering your living room floor'

I said 'You bring out my terrible its oh so wonderful  
I can be the first-class passion that you're lookin' for  
I'm your number one, all time fan'

In my good graces, you're a bad influence  
Keep me a heartbeat shy of an ambulance  
Little mischevious, remain devious  
Keep me a heartbeat shy of an ambulance

She trembled 'Take me now,  
Knock me out, navigate my filthy mouth,  
Nurse my naughty back to life'

I said 'You unleash my episodes,  
Crack my moral code,  
Desperately delicious in your housewife glass life'

In my good graces, you're a bad influence  
Keep me a heartbeat shy of an ambulance  
Little mischevious, remain devious  
Keep me a heartbeat shy of an ambulance

I'm your number one, all time fan  
It would be my honour to get down with your open hand

In my good graces, you're a bad influence  
Keep me a heartbeat shy of an ambulance  
Little mischevious, remain devious  
Keep me a heartbeat shy of an ambulance  
Oh and you're a bad influence  
Keep me a heartbeat shy of an ambulance  
You're a bad influence

Keep me a heartbeat shy of an ambulance
