They Just Can't Stop It (Games People Play)  
( The Spinners )

Can't get no rest  
Don't know how I work all day  
When will I learn?  
Memories get in the way  
I walk around  
I can't hear a sound, folks talkin' loud, but I  
Don't see at all  
I gotta get away, gotta get away, I don't

Know where to go  
It's hopeless so  
I guess I'll leave it alone well I  
Spent all my day  
Fixin' up to go somewhere  
Thought I was late  
And I found she wasn't there  
I guess I'll find  
Love, peace of mind, some other time, but I  
Still have today  
I gotta get away, gotta get away, I don't  
Know where to go  
It's hopeless so  
I guess I'll leave it alone

Games people play  
Night or day they're just not matchin'  
What they should do  
Keeps me feelin' blue

Been down too long  
Right, wrong, they just can't stop it  
Spendin' all day  
Thinking just of you

Twelve forty-five  
Headed for the subway home  
I took my time  
'Cause I felt so all alone

Not far away  
I heard a funny sound, took a look around, and I  
Could see her face  
Smilin' as she came, callin' out my name, so I  
Know where to go  
We'll take it slow  
Guess I'll call it a day

Games people play  
Night or day they're just not matchin'  
What they should do  
Keeps me feelin' blue  
Games people play.....
