I can't waste my time  
Trying every line  
All the tricks I used before  
One too many times

And I won't buy you things  
Or give you diamond rings  
I won't call you day and night  
Living to just get close to you

'Cause gonna be like heaven on earth  
So fine (fine, fine, fine, fine)  
So fine  
Before you know what you hit you  
You're gonne be mine

'Cause gonna be like heaven on earth  
So fine (fine, fine, fine, fine)  
So fine  
Before you know what you hit you  
You're gonne be mine

I guess in my heart  
On a picture card  
Pretty roses just won't do  
That just ain't my style  
I won't run to you  
Like a silly fool  
All I have to do is wait  
You'll be there  
In my easy chair

'Cause gonna be like heaven on earth  
So fine (fine, fine, fine, fine)  
So fine  
Before you know what you hit you  
You're gonne be mine

'Cause gonna be like heaven on earth  
So fine (fine, fine, fine, fine)  
So fine  
Before you know what you hit you

You're gonne be mine

I'll betcha your love I'll getcha  
I'll getcha your love I'll betcha  
Nobody else could love me  
I'll bet you're thinkin' of me  
So why don'tcha  
Put your money on it

Doo, doo, doo  
Doo, doo, doo

All I have to do is wait  
You'll be there  
In my easy chair

'Cause gonna be like heaven on earth  
So fine (fine, fine, fine, fine)  
So fine  
Before you know what you hit you  
You're gonne be mine

'Cause gonna be like heaven on earth  
So fine (fine, fine, fine, fine)  
So fine  
Before you know what you hit you  
You're gonne be mine

'Cause gonna be like heaven on earth  
So fine (fine, fine, fine, fine)  
So fine  
Before you know what you hit you

You better watch out  
I'll getcha

'Cause gonna be like heaven on earth  
So fine (fine, fine, fine, fine)  
So fine  
Before you know what you hit you  
You're gonne be mine

'Cause gonna be like heaven on earth  
So fine (fine, fine, fine, fine)  
So fine  
Before you know what you hit you  
You're gonne be mine

'Cause gonna be like heaven on earth  
So fine (fine, fine, fine, fine)  
So fine

Before you know what you hit you  
You're gonne be mine
