This is our fork on the road
Love's last episode
There's nowhere to go, oh, no

You made your choice
Now it's up to me to bow out gracefully
Though you hold the key, but baby

Whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around

I knew just what to say
Now I've found out today
That all the words had slipped away

But I know there's always a chance
A tiny spark remains, yeah
And sparks turn into flames
And love can burn once again
But I know you know

Whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around, yeah

Whenever you call me, I'll be there
Whenever you want me, I'll be there
Even if I have to call, I'll be there
I'll be around

Just call me on the phone, I'll be there
I'll never leave you alone, I'll be there
Just call out my name, I know, I know you know
I'll be around

I'll be standin' in a coffin, I'll be there
I'll be a rippin' it up, I'll be there
I'll be calling out your name to let you know
I'll be around
