Once there was a boy and girl  
Boys said, "I love you so"  
Girl said, "I'll never leave you"  
They grew older and left each other  
'Cause that's the way love goes  
That's the way love goes

Then there's a time  
Seems like you'll never find  
Someone willing to love you  
Keep on lookin', you'll soon discover

A mighty love  
Will sometimes makes you weep and moan  
A mighty love  
You sit all day by the telephone  
Cause you're all alone  
You need a mighty love, eh, hey

Some say that you're sure to find  
True love and peace of mind  
At the end of a rainbow  
There's no sign in the sky to follow  
'Cause that's the way love goes  
Baby, that's the way love goes

And so there's a rhyme  
That says life will soon be fine  
Love is just what you make it  
So keep on lovin, you'll soon discover

A mighty love  
Will sometimes make a-a weak man strong  
A mighty love  
Will sometimes make a-a rich man weak  
And knock him off his feet  
You'll have a mighty love  
Mighty, mighty, mighty  
Mighty, mighty, mighty love Jones  
Comin' down on me, baby, yeah

Hey, hey (Mighty love)

I can feel the world gettin' brighter  
Brighter with your lovin'  
(Mighty love) You see, baby  
With a mighty love you can sometimes turn the world  
around  
(Mighty love) From all your love  
You can, you can turn the world around  
Sometimes, yes, you can, oh  
(Mighty love) Oh, baby  
Makes music have a happy, ha-ha-happy sigh  
(Mighty love) Makes you move, makes you groove  
You get the feelin' that is reelin', come on  
(Mighty love) Oh... high, high, high  
I'm gon', gon', gon', gon', gon' get your lovin'  
(Mighty love) Oh, baby, oh, ho, ho, got your love  
(Mighty love) Got your love, got your lovin', oh  
I got your love here with you  
(Mighty love) You got the love, hey, baby  
(Mighty love) I-I knew when I first met you  
That you had a mighty love, baby  
(Mighty love) I'm gonna wait on you, gonna wait on you  
Gonna wait on you, baby, just give me  
(Mighty love) Give, give, give, give, give, give, give me  
your love  
(Mighty love) Mighty, mighty, mighty, mighty, mighty,  
mighty, mighty  
(Mighty love) Hey, can I say it, can, can I say it  
La-la-la-la-la-la-la-la-la-la baby  
(Mighty love) Ho, ho, ho, ho, ho, ho, baby  
(Mighty love) Time, just a little more time, baby, woo  
(Mighty love) Woo... hoo... hoo... hoo... hoo... hoo...  
(Mighty love) Hoo... hoo... hoo... hoo... hoo... hoo...  
(Mighty love) Hoo... hoo... hoo... hoo... hoo... hoo...  
Feel, feel, feel, feel, feel me, baby, yeah  
(Mighty love) So when I'm down and out I know you're  
(Mighty love) You got, you got it, baby, oh, Lord  
(Mighty love) Sho' 'nuff can make a love Jones come on  
down me  
(Mighty love)
