Hand me down my walkin' cane  
Hand me down my hat  
Hurry now and don't be late  
'Cause we ain't got time to chat

You and me were goin' out  
To catch the latest sound  
Guaranteed to blow your mind  
So high you won't come down

Hey, y'all prepare yourself  
For the Rubberband man  
You never heard a sound  
Like the Rubberband man  
You're bound to lose control  
When the Rubberband starts to jam

Oh, Lord, this dude is outta sight  
Everything he does  
Seems to come out right

Once I went to hear them play  
At a club outside of town  
I was so surprised, I was hypnotized  
By the sound this cat's puttin' down

When I saw this short fat guy  
Stretch a band between his toes  
Hey, I laughed so hard  
'Cause the man got down  
When he finally reached his goal

Hey, y'all prepare yourself  
For the Rubberband man  
You never heard a sound  
Like the Rubberband man  
You're bound to lose control  
When the Rubberband starts to jam

Got that Rubberband  
Up on his toes  
And then he wriggled it up

All around his nose

(Doo, doo, doo)

Guaranteed to blow your mind

(Doo, doo, doo)

Playin' all that music, yet keepin' time

(Doo, doo, doo)

Where in the world did he learn that, oh, Lord

Lord, help him get away

Hey, y'all prepare yourself

For the Rubberband man

You never heard a sound

Like the Rubberband man

You're bound to lose control

When the rubber band starts to jam

Doo, doo, doo

Doo, doo, doo

Doo, doo, doo

Rubberband man, Rubberband man

How much of this stuff, do he think we can stand

So much rhythm, grace and debonair from one man,

Lord

And then he had nerve to wiggle his left toe

To his knee, got the feelin' in his head, y'all

Ah, come on, baby

Hey, y'all prepare yourself

For the Rubberband man

You never heard a sound

Like the Rubberband man

You're bound to lose control

When the Rubberband starts to jam

Rubberband man starts to jam

Movin' up and down across the land

Got people all in his ways

Everything about him seems out of place

Just a movin', just a movin'

Just a move-move-movin'

Just a Rubberband, Rubberband man

Just a movin', just a movin'

Just a move-move-movin'

Just a Rubberband

Rubberband man

Get down

Oh, get down lover

Uh-huh
