(Lazy Susan, lazy Susan)
I can't stand to wait
A minute longer
There must be some way
To let you know

Our love is ready
My heart is beating fast
I'm growin' weaker
And I don't know how long
I can last

I've been standing here
Since early morning
(Lazy Susan, lazy Susan)
(Wake up)
Tossin' pebbles at your window pane
(Lazy Susan, lazy Susan)
I'm tryin' to wake ya
'Cause I'm so all alone
I've got to see ya
And I won't believe that
You're not home

Wake up, Susan
Don't you know what you're missing
I'm right here

Wake up, Susan
Don't you know what you're missing
I'm right here
I'm right here
(I'm right here)

I can't wait to put my
Arms around ya, baby
Only if it's for a little while
(Lazy Susan, lazy Susan)
Oh, my body's achin'
I want you, oh, so bad
Why can't you hear me
If you just wake up

I'd be so glad

Wake up, Susan
Don't you know what you're missing
I'm right here

Wake up, Susan
Don't you know what you're missing
I'm right here
I'm right here

Wake up, Susan
You've been missing love
(Don't you know what you're missing)
I'm right here

Wake up, Susan
You've been missing love
(Don't you know what you're missing)
I'm right here

Wake up, Susan
(Don't you know what you're missing)
I'm right here

Wake up, Susan
I've been throwin' them pebbles
(Don't you know what you're missing)
I'm right here
