Hey  
Yeah...

When I was young I'd listen to the radio  
Waiting for my favorite songs  
And when they played I'd sing along  
It made me smile, yeah

Those were such happy times  
And not so long ago  
How I wonder where they've gone  
But they're back again just like a long lost friend  
All the songs I love so well, and every

Sha-la-la-la (Oh... oh...), whoa, whoa (Whoa, whoa)  
Sha-la-la-la (Let it shine), whoa, whoa  
Every shing-a-ling-a-ling that we started to sing  
So fine

When they get to the part when she's breaking his  
heart  
It could really make me cry  
Just like before  
It's yesterday once more, mmm...

Looking back on how it was  
And years gone by  
The good times that I had  
Makes today seem rather sad  
So much has changed, ooh

And it was the songs  
Of love that I would sing to you then  
I'd memorize each word  
Those old melodies still sound good to me  
As they melt the years away, and every

Sha-la-la-la (Every little), whoa, whoa (Still)  
Sha-la-la-la (Shines), whoa, whoa  
And every shing-a-ling-a-ling that we started to sing  
So fine

Oh, when they get to the part when she's breaking his  
heart  
It could really make me cry  
Just like before  
It's yesterday once more, girl

Nothing remains the same  
Life is a constant change  
Nothing remains the same (Whoa, no)  
Life is a constant change

I'm looking back on what used to be {For me}  
Uh-huh and how it affected me {It feels}  
Do you remember the way you showed me love  
Oh, I'm looking back on the love we made {Our love}  
It wasn't a masquerade {Oh, no}  
It was a long, a long time ago, don't you know

Nothing remains the same (Nothing remains the same)  
Life is a constant change (Whoa, whoa)  
Nothing remains the same (Everything in time's got to  
change)  
Life is a constant change

Oh, I'm looking back on what used to be {For me}  
And what you meant to me, girl {Ooh, hoo}  
We both, we both never thought it never end  
And I'm looking back and it's nice to be {So nice}  
So filled with the memories {Of you}  
Of all the love, all the love we shared in the past, and  
oh, no

Nothing remains the same (Nothing remains the same)  
Life is a constant change (Every day, every way)  
Nothing remains the same (Life keeps on turning  
around)  
Life is a constant change (And every)

Sha-la-la-la (Every), whoa, whoa (Still shines)  
Sha-la-la-la (Oh, yes, it does), whoa, whoa  
Every shing-a-ling-a-ling (Shing-a-ling-a-ling) we  
started to sing  
So fine, oh, it was

When they get to the part when she's breaking his  
heart  
It really makes me cry  
Just like before  
It's yesterday

Sha-la-la-la (Oh, yes, it does), whoa, whoa (I remember  
it so well)  
Sha-la-la-la (Oh, yeah), whoa, whoa (I could still feel a  
chill down my spine)  
Shing-a-ling-a-ling we started to sing  
Every time

Oh, when they get to the part when she's breaking his  
heart  
It really makes me cry  
Just like before  
It's yesterday

Sha-la-la-la, whoa, whoa  
Sha-la-la-la, whoa, whoa (Well, well)  
Shing-a-ling-a-ling (Every shing-a-ling-a-ling ) we  
started to
