The western world has a common dedication  
To keep free people from Red domination  
And maybe you can't vote, boy, but man your battle  
stations  
Or therell be no need for votin in future generations

So over and over again, you keep sayin it's the end  
But I say you're wrong, were just on the dawn of  
correction

There are buttons to push in two mighty nations  
But whos crazy enough to risk annihilation?  
The buttons are there to ensure negotiation  
So don't be afraid, boy, it's our only salvation

So over and over again, you keep sayin it's the end  
But I say you're wrong, were just on the dawn of  
correction

You tell me that marches wont bring integration  
But look what it's done for the voter registration  
Be thankful our country allows demonstrations  
Instead of condemnin, make some recommendations  
I don't understand the cause of your aggravation  
You mean to tell me, boy, it's not a better situation?

So over and over again, you keep sayin it's the end  
But I say you're wrong, were just on the dawn of  
correction

You missed all the good in your evaluation  
What about the things that deserve commendation?  
Where there once was no cure, there's vaccination  
Where there once was a desert, there's vegetation  
Self-governments replacing colonization  
What about the Peace Corp. organization?  
Don't forget the work of the United Nations

So over and over again, you keep sayin it's the end  
But I say you're wrong, were just on the dawn of  
correction  
But I say you're wrong, were just on the dawn of

correction

So over and over again, you keep sayin it's the end  
But I say you're wrong, were just on the dawn of  
correction
