Far away places  
With strange sounding names  
Far away over the sea

Far away places  
With the strange sounding names  
Are callin', (callin'), callin', (callin') me

Going to China, or maybe Siam  
I wanna see for myself  
Those far away places  
I've been reading about  
In a book (in a book)  
That I took (that I took)  
From a shelf

I start getting restless  
Whenever I hear  
The whistle of a train  
I pray for the day I can get under way  
And look for those castles in Spain

They call me a dreamer  
Well, maybe I am  
But I know that I'm burning to see  
Those far away places  
With the strange sounding names  
Callin', (callin'), callin', (callin') me  
Far away, so far away  
Far away, so far away
