(Chorus)

Well I never saw
You were there for me the whole time
But now I've lost you I've come to say
Well I'm sorry I was tied up with myself

(Verse)

Well I guess I was so selfishly
Just sucking up your advice
Well now your gone I'll sing this song
To say that I'm sorry what else can I say

(Repeat chorus)

(Verse2)

So take these words I hope you hear
And I hope that you can forgive me
And if you return this time I'll be there
To hold your hands through it all

(Repeat chorus)
