Summer nights, lit up by flashlights,  
Won't you take my hand let's get away  
On top of buildings,  
Or watching all your movies,  
Now you've got my time  
Let's get away

Now you've got me where my heart is,  
Tell me that you need this,  
Tell me that you want this so badly it hurts

And the nightlife,  
Taking walks and train rides,  
Now you've got my time  
Let's get away

Now you've got me where my heart is,  
Tell me that you need this,  
Tell me that you want this so badly it hurts  
I don't wanna take the flight home,  
I'm tired of being all alone,  
Tell me that you want this so badly it hurts

I'm gonna take more chances,  
Make big plans and follow through  
I'm tired of not believing;  
Holding back those feelings, let 'em go

So follow through, please follow through,  
You want this so badly it hurts
