Mr Door to door comes knocking again,
selling things that we don't need.
He's praying on your weaknesses in order to succeed.
You know, you don't have to let him in,
You know you don't have to answer.
You don't need all the products we're told are life
enhancers

It's a problem, that the more honest you are,
The more people take advantage and things go way
too far.

I saw a homeless man, he shrugged then got up,
He had brand new shoes on and his girlfriend just
drove to pick him up.
Taking peoples money that he doesn't deserve,
while the real homeless men and women, they shiver
and starve.

It's a problem, that the more honest you are,
The more people take advantage and things go way
too far.

Get Out,
My House.
