I never knew that I could feel like this
Yeah my heart is like warm sunshine
I got your sunlight beating down on me,
From the coner of your perfect smile.

So if you feel like your love ain't strong enough
I could the one to steer it up.
Like a beat I'll drop and knock it up
'Cause when I saw you I knew.

My heart turnded upside down,
It took a spin around
'Cause the girl I found, she got me off the ground
And I'm wrapped around her finger like a diamond ring
Cupid let me get her 'cause she makes me sing

Upside down,
It took a spin around
'Cause the girl I found, she got me off the ground
And I'm wrapped around her finger like a diamond ring
Cupid let me get her 'cause she makes me sing

I could never stand back
And let you feel lonely, lonely, lonely
And if you're ever feeling down I can be beside you,
Put your trust on me

So if you feel like your love ain't strong enough
I could the one to steer it up.
Like a beat I'll drop and knock it up
'Cause when I saw you I knew.

My heart turnded upside down,
It took a spin around
'Cause the girl I found, she got me off the ground
And I'm wrapped around her finger like a diamond ring
Cupid let me get her 'cause she makes me sing

Upside down,
It took a spin around
'Cause the girl I found, she got me off the ground

And I'm wrapped around her finger like a diamond ring
Cupid let me get her 'cause she makes me sing

Hey cupid come along wash away all the rain.
Put the sunlight and love in her heart just for me.
I been acting like I should.
You know I been good she's all I think about all day.

Hey cupid can't you see, she's the one that's enough.
Not a minute goes by when I don't think about it.
So please hook me up.
Don't put my heart on ice, don't let me roll the dice.
I need her sure thing right now

My heart turned upside down,
It took a spin around
'Cause the girl I found, she got me off the ground
And I'm wrapped around her finger like a diamond ring
Cupid let me get her 'cause she makes me sing

Upside down,
It took a spin around
'Cause the girl I found, she got me off the ground
And I'm wrapped around her finger like a diamond ring
Cupid let me get her 'cause she makes me sing
