You say, "I can't wait for the weekend to come"
So put on the clothes and lets have some fun.
I'll get wasted and start some fights,
I love being a punk on Saturday night.

For me it's pretty different,
Because this music is my life,
We spend all week building back up,
What you destroy with no insight.

So are you going to the show? (At The Weekend)
And staying at home (On The Weekdays)
Expecting everything to come to you.
So are you going to the show? (At The Weekend)
And staying at home (On The Weekdays)
Complaining there's nothing to do.

So now you've got your own band,
And you expect everyone to come,
To see you play on a week day,
And "Bring this town some fun!"

But you haven't got a clue,
About the scenes and all the crews,
We just haven't got the time or patience,
For a weekend punk like you.

So are you going to the show? (At The Weekend)
And staying at home (On The Weekdays)
Expecting everything to come to you.
So are you going to the show? (At The Weekend)
And staying at home (On The Weekdays)
Complaining there's nothing to do.
