It's what you've always wanted.
What do I do now that I've got it?
You're always crippled by your self-doubt.
It's hard to change.
I know, but you make it harder staying the same...
staying the same!

When it comes around will it flip the switch inside?
What I've been waiting for won't make me run and hide.
I can't tell you what to say or do,
you have to realise your fear is what's controlling you.

I'm not listening anymore, I'll see this through.
It's time to find what's in store for me and you.
I'm not listening anymore,
it's held me back too long.
I'm not listening to you.

It's what you've always wanted,
What do I do now that I've got it?
It's what you've always wanted,
What do I do now that I've got this?

It's hard to change.
Harder to stay the same.
