DonÂ't tell me what to think,
I have my reasons why I donÂ't drink.
Its my own choice and its yours too,
IÂ've got better things to do,
Than trying to explain to you.
Its my own choice and its yours too,
Just have the conviction to follow it through.

Have the strength to be yourself, because your lifestyle can affect your health. Know the facts about your choices, The truths not always from the loudest voices.

I'm not going to say what to do,
There are many doors to walk through.
But your choices should be your own.
If you got straight edge,
or you broke it in two,
I still want to be friends with you.
But your choices should be your own,
DonÂ't live life as another's clone.

Have the strength to be yourself, because your lifestyle can affect your health. Know the facts about your choices, The truths not always from the loudest voices.

Free choice, The loudest voice.
