Mama said you get paid like this
You get paid like this, mama said
Mama said you get paid like this
You get paid like this, my mama said

My mama told me that one day
I'll get my money and get paid
And then I'll come in and know (oh oh)
So get the money, here I go (oh)

I wanna get the money because I know it's better
I wanna get the money because I know that I'm inside
We're never inside, we never agree anymore

My mama told me

Mama said you get paid like this
You get paid like this, mama said
Mama said you get paid like this
You get paid like this, my mama said

I used to dream about the day (ay ay)
When all the money comes my way (ay ay)
When the money's coming around
Then I'll know you'll be down (down)

I wanna get the money because I know it's better
I wanna get the money because I know that I'm inside
We're never inside, we never agree anymore

My mama told me

Mama said you get paid like this
You get like this, mama said
Mama said you get paid like this
You get paid like this, my mama said

Alright, check it out, check it out
My mama always told me I'll get paid like this
Hold up, now you know what I'm about
Now you don't gotta hate just because I'm paid like this

Alright, check it out, check it out
My mama always told me I'll get paid like this
Hold up, now you know what I'm about
Now you don't gotta hate just because I'm paid like this

Mama said you get paid like this
You get like this, mama said
Mama said you get paid like this
You get paid like this, my mama said

Mama said you get paid like this
You get paid like this, mama said
Mama said you get paid like this
You get paid like this, my mama said

Mama said, Mama said
Mama said, Mama said
