I met a girl
I must admit she seemed kinda tipsy at the time
The more she drank the more she seemed to be pickin
up my vibe
And by the end of the night I got them digits down in
my phone(down in my phone)
We met again
This time at club she wouldn't stop puttin down shots of
crown
She was all lickin up on me like there wasn't anybody
else around
And when I left she texted me that I should have taken
her home(should have taken her home)
We started hanging
She wasn't drinkin
She wasn't payin
Me any attention
No conversatin
No escalatin
What we was doin so I figured out
She only likes me when she's drunk
Why don't I give it up
Don't get a word unless the girls gettin gone
Don't wanna get her drunk
Just to get love
When she drinks she's only leadin me on
Another week went by and then I get another invite
To kick it at a place alone so I responded alright
Another chance with a girl of my dreams
Yeah she's a 10(yeah she's a 10)
So I show up at 9 but an hour after I said I would
The way she actin seems like this girl really like me
good
But then I see she brought a bottle down it's happenin
again(happenin again)
Another time hangin
How much she be drinkin
Girl I aint playin
No more delayin
I go to ask her
About this disaster

But then I realized that she's passed out
She only likes me when she's drunk
Why don't I give it up
Don't get a word unless the girls gettin gone
Don't wanna get her drunk
Just to get love
When she drinks she's only leadin me on
She only likes me when she's drunk
Why don't I give it up
Don't get a word unless the girls gettin gone
Don't wanna get her drunk
Just to get love
When she drinks she's only leadin me on
Hanging out with a girl she hot like a model
She only like me with a bottle
She's always gotta tie one on
For me to get her in my zone
Plays like a quater back
Keeps sippin yak
You know it's only gonna throw my game off track
No a drink in her hand
Wont get a man
Wont even ask her what your sayin
I tried to get a hug and
I had to fill my mug and
She wanna get it it on a
Only with corona
If I give her white wine
She gon give the right time
But without her liquor
I'll never get with her
She only likes me when she's drunk
Why don't I give it up
Don't get a word unless the girls gettin gone
Don't wanna get her drunk
Just to get love
When she drinks she's only leadin me on
She only likes me when she's drunk
Why don't I give it up
Don't get a word unless the girls gettin gone
Don't wanna get her drunk
Just to get love
When she drinks she's only leadin me on
