Sort it Out

Verse 1

Knocking down your door  
There's no answer, you better forget it,

The Taxi meters running  
Your snoozing, your gunna regret it

It's a free weekend, were loaded,  
You don't have to pay,

Pre-Chorus

But you were gone, way long gone...  
You were so high, Yeah...

Chorus

Sort it Out (its no big deal to me)  
X 3  
Alright!

Verse 2

Naughty little ways are gunna drag you into a corner,  
Causing anarchy and a tasty little slice of disorder  
But that's rich coming from you  
But it's ok,,

Pre-Chorus

But you were gone, that night was long...  
You got so high, Yeah...

Chorus

Sort it Out (its no big deal to me)  
X 3  
Alright!

Guitar solo...  
Pre-Chorus

But you were gone, that night was long...  
You got so high, Yeah...

Chorus

Sort it Out (its no big deal to me)  
X 3  
Alright!
