(Do wop do wop
Even though we shouldn't
Summer girl you're right for me)

Well if you're feeling me,
Let's make a memory
My heart is melting 'cause you're hot like the summer
here
The night is all we got
And there's no time to stop
And think about this 'should we or should we not'
And I know
That you got a man
But I'm here,
So put me in your plans
And I'll be
What you need tonight
And I'm never gonna see you again
I wanna

(Do wop do wop)
Let's make it happen, shawty
(Do wop do wop)
It's got to be now
(Do wop do wop)
Even though we shouldn't
Summer girl you're right for me

No need to take it slow
'Cause soon I gotta go
I wanna get your number,
And I'm feeling ya really though
You know my game is tight,
And now the time is right
Gotta take advantage of a one summer night

And I know
That you got a man
But I'm here
So put me in your plans
And I'll be

What you need tonight
And I'm never gonna see you again

(Do wop do wop)
Let's make it happen, shawty
(Do wop do wop)
It's got to be now
(Do wop do wop)
Even though we shouldn't
Summer girl you're right for me

Sing it again now!

(Do wop do wop)
Let's make it happen, shawty
(Do wop do wop)
It's got to be now
(Do wop do wop)
Even though we shouldn't
Summer girl you're right for me

So before we say 'so long'
Before we end tonight
Girl it can't be wrong
If it feels so right
So I'll be me
Shawty you be you
Gotta make it right
Whoa, whoa

Shake it, Shake it
Bounce
Let me see you move
Come on show me just how you do
Come on baby
Shake it, shake it for me
Nobody else around
It's just you and me

Yeah, bounce
Let me see you move
Come on show me just how you do
Come on baby
Shake it, shake it for me
Nobody else around
It's just you and me

I wrote a melody
All about a girl like a summer breeze
I'll never see her again

Sing it again now
(Do wop do wop)
Let's make it happen, shawty
(Do wop do wop)
It's got to be now
(Do wop do wop)
Even though we shouldn't
Summer girl you're right for me
(X2)

I wrote a melody
All about a girl like a summer breeze
I'll never see her again
