Hey there 15  
Please stop feeling sorry for yourself  
I know what you mean  
When everyone burns and beats up on you  
It's hard to believe  
But i was just like you when i was young  
And sometimes i feel  
Like an adult version of  
A kid who wasn't cool  
A complete outcast in school  
With no where to turn  
How those punches burn  
And turn into bleeding  
Hey football dad  
Some kids don't want what you demand  
Take it from me  
You can do more harm than you know  
It's hard to believe  
But i was just like you when i was young  
And sometimes i feel  
Like an adult version of  
I could not believe  
Why they all picked me  
It's not fair  
Trouble breeds fear  
Times were tough in your house  
But don't blame your kids it's their way out of here  
It's something you've grown up to fear  
It's not that's it's wrong it's just different  
Is it yours or your father's worst nightmare?  
Times were tough in your house  
Times are tough in your house tonight
