"Took Away"

It's over now
I didn't know it could end
I didn't know how
So you said goodbye
I wouldn't believe those words
Until you look me in the eye
If i ever wanted anything
It's you cause you're my everything
You wanted more
More than i could bare to afford
You took away my heart from me
It's hard to see
From where i want to be
With you
Don't ask me why
You're not the only one
Who's thrown away their life and wants to die
So look at me now
Does it make it so much better
To hear i'm hurt, to hear i'm down?
You took away the world from me
