That girl is all alone
And she's got the wrong idea
She's always on the phone
So she never hears the ringer
Picked up the phone today
And could not believe my ears
Everything's wrong what i wanted to say
Confirming my worst fears
Sing a new song
Turn the amp on
Pick up my guitar
I get down when i sing
There's no hope for me now
I'm checking out
This girl can't stand no more
Cause she's got no recollection
Something to do but i don't know why
No reason, no connection
Sing a new song
Turn the amp on
Pick up my guitar
I get down when i sing
There's no hope for me now
Where do we go from here
Where do we go when emotion ain't clear
Sing a new song
All that i want
To do this lifetime
Sing a new song
All that want
To sing a new song
Is all that i want to do in life
There no sense wasting time
