The date and time are noted,
The flyers on my wall.
I couldn't be more excited,
I'm just waiting for that call
From my friends to pick me up outside,
so we can go to the show.
we're going to have fun tonight there,
even if there's no-one we know.

To these friends I haven't met yet,
These songs I've not yet sung.

On the way there we're singing every song we know,
Talking about failed romances,
whose done what & who said so.
I could never have thought that on that night
Just dancing on my own,
It'd change my whole life,
to what I do & who I know.

To these friends I haven't met yet,
To these songs I've not yet sung.
I didn't know it could take you this far,
I don't want to stop now, (So hurry up!)
There's still so much to be done.

If you're standing at the back - and you don't want to
know
If you don't want to clap - are your hands too cold?
If you think you're too old - You're never too old!
remember why you came here, instead of staying
home!
