"Angel With A Broken Wing"

See the angel in the corner with teardrops on her cheek
She's listening to the jukebox play sad old memories
Don't bother asking her to dance she needs the time to
cry
She's an angel with a broken wing all and out of love
tonight

She's an angel with a wbroken wing who knew what
heaven was
Till the man she worshipped pled her down oh what a
fool he was
If she ever fell into my arms Lord knows I'd treat her
right
She's an angel with a broken wing all and out of love
tonight
She's an angel with a broken wing all and out of love
tonight
