"At The Sight Of You"

I go all to pieces at the sight of of you
I tried to look the other way when you're around
But that takes more strenght than can be found
I just get weak as memories pass through I go all to
pieces at the sight of of you
How could anyone control me so completely and make
me do the crazy things I do
Little things like forgiving you for being so untrue
I go all to pieces at the sight of of you
[piano]
You've hurt me so many times that I've lost track
Yet given half a chance I take you back
You're the master of my life and there's nothing I can
do
I go all to pieces at the sight of of you I go all to pieces
at the sight of of you
