Easy Lovin' Kind (Mel Street)
She's not just another pretty face
And the joy her love has brought me
Could never be replaced
I knew I loved her the first time
She touched her lips to mine

She's all woman
She's the easy lovin' kind

She don't claim to be an angel
But she's heaven to me
And the door to paradise
She open so tenderly

She brought sunshine to my world
Just knowing that she's mine

She's all woman
She's the easy lovin' kind

I never dreamed I'd find a love like this
But now my dream 's reality
With every tender kiss
I wake up smilin' every morning
Just knowing that she's mine

She's all woman
She's the easy lovin' kind

Yeah she's all woman
She's the easy lovin' kind
