A long time forgotten are dreams that fell by the way
And the good life he promised her ain't what she's
living today
But she'd never complains of the bad times or the bad
things he's done Lord
Just talks about the good life and all the good times to
come
She's a good hearted woman in love with a good timin'
man
She loves him in spite of his ways that she don't
understand
Through teardrops and laughter they'll pass through
this world hand in hand Lord
A good hearted woman lovin' her good timin' man

He likes the night life and bright lights and good timin'
friends
When this party's all over she'll welcome him back
home again
Oh Lord knows she tries but still she just don't
understands
For she's a good hearted woman in love with a good
timin' man
She's a good hearted woman...
Yes she's a good hearted woman...
