Hell yes I cheated

Hell yes I cheated
Even though it was wrong
But she gave me something
I'd been missing at home
You know I still love you
But I can't pretend
So hell yes I cheated
And I'd do it again

For a long time now we lived together
But still we've been alone
We lived inside a house
But it's never been a home
And all I took from her was love
That we no longer shared
It didn't seem so bad
Cause I didn't know you cared

Hell yes I cheated
