Yeah I can't dance I never could I guess my feet don't
match
I've been thinkin' bout dancin' with you but I'm afraid
I'm hurtin' my back
I don't know what you're doing but I like everything that
you do
And just for a little bit baby I'd come out and dance with
you
I can't dance and I feel so good
Some of us can some of us can't some of us wish that
we could dance
I can't dance I guess that I'm just one of the
unfortunate few
And just for a little bit baby I'd come out and dance with
you
[guitar - fiddle]
Well my mind is out there with you now but I can't get
my body to move
I'm sittin' here fallin' in love love love thinkin' somethin'
I can't do
Well my soul is willin' and my mind is ready but it's
somethin' that I never could do
And just for a little bit baby I'd come out and dance with
you
I can't dance and I feel so good...
I can't dance and I feel so good...
