Everybody says you let me down I should be ashamed  
to take you round  
Makes no difference what you used to do darling I  
could never be ashamed of you  
Maybe you were reckless yesterday but together we  
can find a brighter way  
In my heart I know that you'll come true darling I could  
never be ashamed of you  
[ steel ]  
All the happiness I've ever known came the day you  
said you'd be my own  
And it matters not what we go through darling I could  
never be ashamed of you  
Maybe you've been cheated in the past and perhaps  
those memories will always last  
Even though you prove to be untrue darling I could  
never be ashamed of you
